Course Description:

This workshop is appropriate for younger school age children through teens, however adults are encouraged to attend, too.

The Divine Liturgy is the most often attended and well known church service for most children (and adults!). This workshop will give children the opportunity to deepen their understanding of Orthodox worship and allow them to participate more fully in the Divine Liturgy. Through singing, discussion, and activities, participants will learn about the service and become familiar with basic musical concepts. The repertoire will consist of simple and familiar melodies that will encourage children to “join in” at their parish church, while also giving them the tools and the confidence to sing as part of a youth choir or at summer camp.

We will focus on short, repetitive parts of the Liturgy, e.g., Holy God, Litanies, Alleluia, and Communion Hymns, but also incorporate hymns and prayers that can be sung at home before meals, at bedtime or on other occasions, and other key parts of the service that are particularly suitable for congregational involvement.

Basil Kozak is a graduate of Saint Vladimir's Seminary and has been singing with children at Saint Andrew's Camp and at Saints Peter and Paul Church in South River, NJ, for over 25 years.

Lunch will be provided, along with sheet music to bring home. All instruction will be in English.
